

## The Night I Spent at the Library!

I was really excited to spend the night at the library! But before all the people left, we got to have storytime with our human friends.

It was fun! I really liked the Teddy Bear Dance!

Before our friends went home, they tucked all of us into bed. It was nice and cozy there, but...

...we weren't ready to go to sleep yet. So we waited for ALL the humans to leave and then the real fun began!

First we played in the Dig Pit. Did you know there are fossils in there? We found them all. (We think!) We also found some fun computers to play on.

Then we started exploring the rest of the library...

The bookshelves in the adult section are REALLY HIGH! We played hide-and-seek. I'm a great hider!

...okay, now I can only tell you this part if you promise not to tell anyone else, but we sneaked into the workroom to see what the librarians do back there. How did we get into the back? Can you guess? Maybe these pictures will help...

Shhhhh...

Don't tell!

Next we raced on the book carts! Here we all are at the starting line. My cart won!

We were having so much fun exploring that we started down the stairs into the basement...

But basements can be scary at night...

So went to play by the fireplace instead.

Bear came to read us a story. He gets to live at the library all the time! Do you like the book he read us? Maybe we can read it again together. I'd like to hear it again.

After all the exploring and playing, we were getting really, really sleepy. So Bear put us all back to bed.

I had a GREAT TIME at the library  
...but I can't wait to go home with you!

I had fun at the  
Stuffed Animal Sleepover  
at Spring Lake District Library!
