

If you have finished reading a book and wish to return it early, you may do this through your **Manage Your Kindle** screen on Amazon.com. Any notes you take will be saved if you ever decide to check the eBook out again or if you should purchase it through Amazon.

After your loan period, your eBooks will automatically expire without you doing anything. Due to the high demand for OverDrive eBooks, there are **no renewals at this time**. You may place your name on the hold list as soon as you return your title or it expires.

You may have a maximum of ten titles checked out at any one time, and ten holds on unavailable items.

OverDrive Advantage Titles are additional copies of popular books purchased for use by Spring Lake District Library cardholders. The wait list for Advantage Titles is shorter than indicated on the OverDrive screen.

These instructions are for the **Kindle, Kindle Touch, Kindle Keyboard and Kindle DX**. There is a separate instruction sheet for the Kindle Fire.
