

After your loan period, your eBooks will automatically expire without you doing anything. Due to the high demand for OverDrive eBooks, there are **no renewals at this time**. You may place your name on the hold list as soon as you return your title or it expires.

You may have a maximum of ten titles checked out at any one time, and ten holds on unavailable items.

**OverDrive Advantage Titles** are additional copies of popular books purchased for use by Spring Lake District Library cardholders. The wait list for Advantage Titles is shorter than indicated on the OverDrive screen.

***These instructions are for the original Nook, the Nook Simple Touch and Nook Glowlight.***
