# Easy Find Guide

## Juvenile Nonfiction

We are reorganizing the nonfiction collections by subject categories and changing Dewey Decimal numbers to word based subject categories.

Similar subjects are grouped together much like a bookstore, making it easier for library users to browse.

This guide shows the major subject categories you can look for.

Materials are shelved alphabetically by category, then subcategory and finally by the author's last name.

**ANIMALS**

- BIRDS
- BUGS
- DINOS
- MAMMALS
- MARINE
- REP/AMPH

**ARCHITECTURE****ART**

- DRAWING
- FASHION
- HISTORY
